

Moore & Kuttner Alice Sheldon Philip K. Dick

**PETITION FOR THE STAMP ADVISORY COMMITTEE FOR
THE CREATION OF A SERIES COMMEMORATIVE STAMPS
HONORING AMERICAN SCIENCE FICTION AND FANTASY
WRITERS, EDITORS AND ARTISTS**

In time, when the literary movements of the 20th Century are studied and written about, it will be noted that science fiction and fantasy, particularly American forms, as being one of the most popular and best documented forms of literature in history. The nominees listed here developed and influenced modern literature and also inspired and entertained millions of readers, writers, critics, artists and filmmakers all over the world.

I, the undersigned, send this petition to urge the Stamp Advisory Committee to consider creating a annual series of commemorative stamps honoring the lives and memories of distinguished American science fiction and fantasy writers, editors and artists who have enriched arts and literature all over the world for generations.

I ask that the following Americans be so honored:

AUTHORS and EDITORS
